Wonder, Creativity and Care

Developmentally appropriate

Later start to formal teaching and learning, a focus on foundational social, communication and physical skills

Participatory, active and purposeful

Meaningful activities led by adults, play led by children

Nurturing, respectful care

Understanding every child as a competent human being from birth

Beautiful, natural spaces

Connecting with nature for a sustainable future

Storytelling and singing

Rich language experiences through creative, imaginative and social connections

Join us for our information sessions - details overleaf

Waldorf Early Childhood information sessions

Are you interested in pursuing a unique, creative and rewarding career that makes a real difference to children's lives?

Are you interested in establishing a childminding setting that meets children's and families' needs?

Are you a fully qualified early years educator looking for a change?

If you are passionate about holistic early childhood education and care that truly nurtures potential, giving children the time and space to play, to flourish and to develop resilience, join our **FREE** online **information sessions** to learn about Steiner Waldorf Early Childhood Training:

Information sessions
